ORDER:

In reference 1st read above, Government have issued orders duly permitting the Commissioner & Director of Agricultural Marketing to deposit the Central Market Fund contribution amount in any scheduled bank and also permit to collect the additional contribution amount of Rs.160.50 Crores to Central Market Fund from specified Agricultural Market Committees in the State as mentioned in Annexure as per section 16(1)(a) and 16(2) of Andhra Pradesh (Agricultural Produce & Livestock) Markets Act, 1966. The additional contribution of funds shall be in force up to 10 years i.e., till 2032 or till the repayment of the loan is completed, post which the government may take a view on the continuation of the additional contribution.

2. In the reference 2nd read above, the Commissioner & Director of Agricultural Marketing, A.P. Guntur, has submitted that the Government have issued the G.O. in the reference 1st read above for the deployment of the Central Market Fund for the purpose of creating infrastructure facilities in participation with state-owned undertakings, specified the names of the Agricultural Market Committees (AMC's) for additional contribution of Rs. 160.50 crores in the State. The additional contribution amounts was estimated at the time of issue of the said G.O, and One and half years have lapsed from the date of issue of the order. Now, based on the generation of revenue as Cess by the AMC's, the earlier additional contributions have to be re-verified to see whether the AMCs have sufficient funds or not. There is a need to reassess the additional contributions for the issue of orders as per the present collection of market fee and the soundness of the AMCs.

3. Accordingly, the Government has requested Commissioner & Director of Agricultural Marketing to reassess the additional contributions from the specified AMCs based on the current status and anticipated future trend of Cess, as per the collection of market fees of AMCs for the last three years. The average has been taken as criteria and assessed at 42.5% from the highest collection of market fee AMCs and 35% from the remaining sufficient funds of AMCs for the collection of additional contributions from AMCs towards contributing Rs. 160.00 crores from AMCs towards the CMF for onward transfer to the escrow account to be maintained by the APSWC for repayment of loans sanctioned by the NIDA.
